rebar

Rebar is a state-of-the-art manufacturer of quality high-end commercial fitness products. Rebar's products have set supreme standards in the industry, and match or surpass the quality set by European and USA manufacturers.

At Rebar we understand that success and quality go hand in hand and for the same we use the highest-grade materials and the most advanced manufacturing techniques to ensure the quality of our products. Our stringent quality check process from the time we source the materials till the tape is put on packaging ensures we meet our client's expectations, always.

Customised products:

Personalization with customised logos is our specialty
